***SOLICITOR CONTRACT DETAIL REPORT FOR 2003-2004***

***This solicitor contract detail report, prepared pursuant to G.S. 131F-30(c)(4), is a new addition to our annual report. This new report differs from the Department's detail summary report of solicitor activity by focusing on terms in filed contract documents rather than the receipts and distribution results reported by solicitors in their final accounting report filings.***

***The solicitor contract detail report contains:***

- 1. A listing of solicitor contracts filed with the Department during 2003-2004;***
- 2. further information as identified within the filed contract document, including:***
  - The fixed percentage of gross revenue the charitable or sponsor organization will receive as a benefit from the solicitation campaign,***
  - The reasonable estimate of the percentage of the gross revenue that the charitable organization or sponsor will receive as a benefit from the solicitation campaign as provided in the contract between the solicitor and the charitable organization or sponsor, and***
  - The guaranteed minimum percentage of the gross revenue that the charitable solicitation or sponsor will receive as a benefit from the solicitation campaign;***
- 3. Report Order: The report is ordered by the information presented in item (2), in order of percentages from lowest to highest as required by statute. The actual groupings used to produce this report were (1) fixed percentage (lowest to highest), (2) reasonable estimate (lowest to highest), and (3) guaranteed minimum percentage (lowest to highest);***
- 4. Reported Campaign Results for Comparison: Contract terms do not always correlate with actual reported campaign results, so this report includes for reference the actual percentage received by the charitable or sponsor organization as listed in the solicitor's final accounting report filed for the campaign resulting from the contract. This information is also reported in the Department's detail summary report of solicitor activity.***
