Professional Fundraisers Registered in North Carolina to Act on Behalf of Charitable Organizations

A professional fundraiser generally is a person or corporation that is paid by a charitable organization to raise money on the charity's behalf. The for-profit business usually arranges a flat fee or charges the charity a percentage of the donations collected in the charity's behalf. The Charitable Solicitation Licensing Section maintains a registry of professional fundraisers licensed to act on behalf of organizations soliciting North Carolina residents using a charitable or civic appeal. The following are lists of those professional fundraisers that have obtained a North Carolina Fundraising Consultant or Solicitor License.

Charitable or Sponsor Organizations Filing an Optional Audited Financial Statement

Although audited financial statements are not a submission requirement, they are strongly recommended because they provide a wealth of information to assist the public in making knowledgeable and informed decisions when receiving a solicitation on how contributions are actually used. The Department includes in the annual report for public information a list of those charitable or sponsor organizations submitting optional audited financial statements or an audit with opinion prepared by an independent certified public accountant.

Detailed Summary Report of Solicitor's Activities in North Carolina
From July 1, 2005 to June 30, 2006 – Planned Giving Campaign

A Planned Giving Campaign allows an individual to make future gifts to a charitable or sponsor organization. In general, these arrangements include designating an organization as a beneficiary of all or a portion of the proceeds from a life insurance policy, all or a portion of the balance in defined contribution plan or an IRA, benefits from a retirement plan (depending on the types of distributions available), a testamentary trust, a living trust, or gift annuities. Because these payments are not received until some future date, organizations using a planned giving campaign may not receive any contributions in a particular year.
